

A watercolor illustration of the National Taiwan Ocean University (NTOU) campus. In the background, there are modern university buildings and a large, dark, abstract sculpture. In the foreground, a sailboat with a white sail featuring the NTOU logo and the Chinese characters '海大' (Haida) is on the water. The sky is painted with soft, warm colors like orange, yellow, and pink, suggesting a sunset or sunrise. The overall style is artistic and painterly.
